OUR PILLOWS

SYMPHONY PILLOW

- The Symphony pillow design provides two pillows in one.
- One side allows the shoulder to fit below the pillow, making it comfortable when sleeping on your side, while the other is gently arched to support your head and neck when sleeping on your back.

Priced from
R 3149

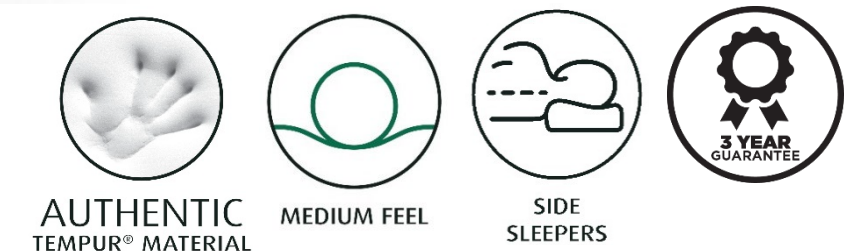

SONATA PILLOW

- The curved shape of the TEMPUR Sonata pillow ensures that your head is supported if you sleep in the fetal position with your chin close to your chest.
- The pillow also continually supports your head as you move from one side to the other during the night.
- The pillow is hypoallergenic, containing no commonly known allergens.
- Made with TEMPUR® Material, which conforms to your shape for outstanding comfort and support.

Priced from
R 3149

ORIGINAL PILLOW

- This ergonomic support pillow follows your natural curve - supporting your head, neck and shoulders to help align your spine when sleeping on your side.
- The TEMPUR Original Pillow is a support pillow recommended for those who need a more therapeutic sleep posture.
- The design follows our natural curve supporting your head, neck and shoulders to align your spine and give you a perfect night's sleep.

Priced from
R1 995

MILLENIUM PILLOW

- TEMPUR's Millennium Pillow features a curved edge that is lower in the middle and higher on the sides to provide correct neck alignment whether you sleep on your back or on your side.
- The front edge is also tilted forward to cradle your upper vertebrae for superior comfort and therapeutic support.

Priced from
R3 150

THE OMBRACIO PILLOW

- The special design allows easy breathing, even when sleeping on your stomach.
The soft TEMPUR® Material makes hugging the pillow truly remarkable and the unique shape makes it easy to put your hands underneath the pillow for night long comfort.
- The shape, the material and the cover of the pillow have been designed for better ventilation, comfort and simply a more restful sleep.
