SIGNATURE FLOOR

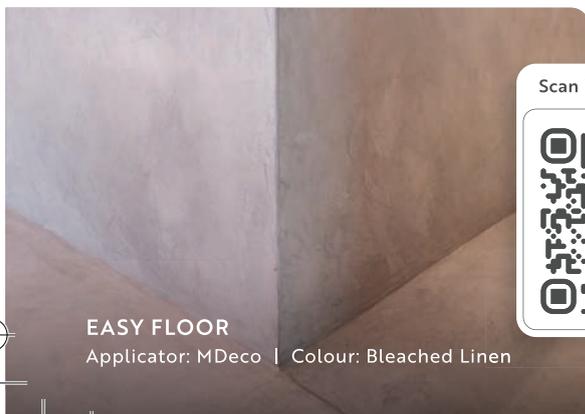

Applicator: Master Finishes | Colour: Guess

SIGNATURE FLOOR

Signature Floor Coat is a thin-film, trowel-on cement coating ideal for domestic and light commercial spaces. Applied in two coats to a total thickness of 1.6–1.8 mm, it delivers a seamless, modern finish and is available in 8 colours.

EASY FLOOR

Easy Floor is a thin-film, trowel-on floor coating designed for effortless application and excellent adhesion to most prepared surfaces. It creates a beautiful, marble-like mottled finish and delivers a durable, easy-to-maintain result. Available in 8 curated colours.

EASY FLOOR

DESIGNER WALL

Applicator: Kapama | Colour: Just Cruising

DESIGNER WALL

Designer Wall Plaster is a refined thin-film, trowel-on coating suited to domestic and light commercial spaces. With proper preparation, it can be applied to new or painted walls, counter-tops, and wet areas such as showers. Available in 10 colours.

OUTDOOR PLASTER

Outdoor Plaster is a modified cement coating designed as a durable external finishing layer, offering excellent performance in outdoor conditions. Originally developed for exterior use, its organic, natural appearance has made it increasingly popular as a distinctive interior finish and is available in 6 colours.
